SITEVINITECH 2014

Ningxia – New Wine Capital of China

Known as the "Wine Bible," the seventh edition of the "Map for World Wine Regions" was published recently. Ningxia Helan Mountain wine region, together with the producing areas in Shandong and Hebei, was for the first time included. Six Chinese featured wineries are embodied in this book, including four from Ningxia Helan Mountain wine region.

More and more Chinese are realizing the benefits of wine on health and economy, SITEVINITECH CHINA shall be the one and only wine making and growing equipment/fruit & vegetable farming exhibition, which related professional should attend. SITEVINITECH CHINA will take place from 18-20 June, 2014 in Yinchuan, Ningxia.

The 3-day professional show is the largest of its kind. It will take over 6,000 sqm, more than 150 exhibitors and 5,500 visitors are expected. Exhibition area has over 22% growth from last year, as well as 43% yoy growth on numbers of exhibitors and 20% yoy growth on numbers of visitors. SITEVINITECH CHINA will also host a 2-day conference about the innovation of the Chinese winemaking and equipment industry during the show.

Join SITVINITECH CHINA now, enjoy the show with exclusive professionals of China wine industry!
